OUR VISION

To be the focal point of surf lifesaving activities within the City of Rockingham, providing beach patrol services to Secret Harbour Beach and to other swimming beaches within the City as determined by resources and qualified members.

OUR MISSION

We exist to provide surf lifesaving patrol services to Secret Harbour Beach, and to other swimming beaches within the City of Rockingham as determined by the availability of resources and qualified members.

To achieve this mission we must:

- 🚩 Maintain high standards of education and vigilance.
- 🚩 Continue our proud record of no lives lost during surf lifesaving patrols.
- 🚩 Be highly regarded by the local community as a volunteer service provider.
- 🚩 Foster and promote the ideals of healthy lifestyle to our members and the local community.

PRESIDENT'S REPORT

This season will be my last as Club President and board member. Over ten plus years on the BoM, I have seen the club grow in so many ways. There has certainly been challenges over that time, but all things worth doing will have challenges. I thank all those who have supported me this season and during my tenor on the BoM. I especially thank my lovely family, Sarah, Samantha and Stephanie who have been extremely understanding and patient over the years.

This season has been mainly business as usual, some of which has been unfortunately moving slowly. One such item is the observation tower. SHSLSC was one of the first clubs to sign up and pay for the tower, but unfortunately the contract between the City of Rockingham council, SLSWA and the Club required amending. After a lot of back and forth, I can finally say the contract between all parties has been signed. The tower will be available for use next season. I understand people's frustrations but the negotiations were critical to ensure the club was not left a financial burden moving forward.

It is also pleasing to finally see the many building deficiencies being actioned by the City of Rockingham, with all major work scheduled for completion by the beginning of next season. I know this has been an area of concern for a significant time and I am pleased it is finally getting resolved. The club is currently in negotiations for the lease of the café area, which is looking extremely hopeful. The potential operator will be looking to be open for business by October 2019. They intend to survey residents and beach goers of Secret Harbour to see what the community would like to see in the area. Fingers crossed we will see the area open for business early in the beginning of next season.

Thanks to our many sponsors and support from SLSWA, our lifesaving, surf sports and nippers

equipment remains in good shape, with new equipment being provided by SLSWA. We have some new sponsors coming on-board next season which will assist in the provision of new equipment for various areas across the club. We simply could not provide the equipment and service we do without the help, and funds, from SLSWA and our many sponsors. The money and equipment they provide enables our members to provide the very important services to the local community. Thank you to SLSWA and our sponsors for your continued support.

Our patrolling members again showed great commitment on our beach this season including our beach patrols, Abalone and water safety events. With everyone's support on the beach we provided the local community a safe and secure environment, with many positive comments of the professionalism of our members and thanks for the service we provide. So well done and thanks for your efforts this season.

Nippers had another fantastic year with many new faces on the beach all enjoying themselves and developing their surf skills. It is great to see the beach a buzz with kids down the beach on Sunday morning. Bec has done a fantastic job coordinating nippers throughout the season, however unfortunately she will be stepping down next season. I would like to thank her for her efforts over the season along with all the

age managers, water safety and the parents that were down the beach every Sunday. Your efforts are greatly appreciated.

This season we started a pilot Star Fish nippers program for special needs children. The program was extremely rewarding for all those involved. It was pleasing to see the kids' progress from week to week in the water. The relationships formed with the children and the helpers was a very special one indeed. The parents of the kids could not thank the club enough for the program. We have Alcoa hopefully coming on-board with the program next season, which is fantastic. Thanks to all those who assisted with the program this season. We couldn't have done it without you.

Our competitors and coaches have had a great season with many successes during the season. The Countries result this year was fantastic with Secrets being less than 100 points behind Bunbury and our club winning the handicap flag. Secret Harbour also took part in the Surf League competition this season with pleasing results at all the events. The other clubs certainly watched with interest at our results. States this year provided good results across all disciplines and ages from nippers to masters. This season has again seen an increased interest in competition at the club, with more athletes attending training throughout the season. The boat section has seen an increase

in crews over the year with many more people interested in the sport. The season continues with IRB racing and pool rescue continuing in to the cooler months. I would like to thank all the coaches and athletes for their dedication, commitment and many hours of hard work that has certainly put Secret Harbour at the forefront of surf sports in WA.

Another group of people who give up a significant amount of time year after year are our trainers, assessors and officials. All these functions are critical for any surf club to continue doing business. We are extremely lucky

to have some of the very best in WA at Secret Harbour. The trainers and assessors continue to keep our members proficient and highly trained, while the officials enable our competitors to compete at carnivals. Thanks to each and every one of you for your continued efforts.

I would also like to thank the Board of Management and all the office bearers this year for all their efforts during the season. The club could simply not function without your contributions. There has been some movement in the office this season, with some changes to the office structure. This will be bedded in prior

to next season. Thank you for being patient during the transition phase.

I would like to take this opportunity to wish the next President and the Board of Management the very best for next season and beyond. The club has achieved many things over the season and will continue to do so with the ongoing support of the membership. We must remember we have a beautiful building- but bricks and mortar don't make a club- the members do.

Rick Lowe
President SHSLSC

VICE PRESIDENT'S REPORT

Another exciting season has drawn to a close at Secret Harbour and we certainly have achieved a lot behind the scenes. Most members would be oblivious to the work that goes on, not only with the day to day running of the club, but also with the development of new policies, procedures, building applications, raising funds, managing the bars, developing the Kiosk, negotiating sub-leases and trying to attract appropriate tenants for the cafe area.

I must thank all the staff and members who have made these things possible- you know who you are.

This year had a rocky start as we failed to appoint a Director of House and Social or a Bar Manager. Steve Pescud unfortunately resigned from the position of Director of Finance and Administration only weeks after the AGM due to family commitments. This position was not filled for the season.

In October, Sharon Philips left as her husband (the Prof) Ian was transferred with work to Queensland and at the same time Anita Sharps resigned to take on a full time job with the public service.

As a result of these resignations, the board decided to try an alternative to employing two part time employees, instead employed one full time employee in the form of Estee Gordon. Unfortunately, due to family commitments, Estee had to return to Bunbury in February.

The club has now employed Trish Scriven and Jacqui Towell to cover the positions of Office Co-ordinator/Administrator and Member Service officer respectively.

Please introduce yourselves to these lovely ladies as they are doing a great job under the circumstances.

Some of the completed & ongoing projects we have include:

The Cafe/ Restaurant

We have finally received a couple of firm Expressions of Interest for the Cafe space with at least one progressing to signing a lease.

At the time of writing this report we have already submitted to council a request for lessor consent to sub-lease for one of the interested parties.

The Patrol Tower

We have finally come to an agreement with both SLSWA and the City of Rockingham, I have been informed by SLSWA that our patrol tower will be in place in the next few months and operational by the start of next season.

The Rusty Wind Deflectors

I think we can all appreciate how much better the club appears now that these rusty eye sores have now been replaced at the City of Rockingham's expense.

The Surf Shack

Marilyn and the Surf Shack Crew certainly gave it a good crack this season and gave the whole Club Kiosk a different look, however with the possibility of new tenants in the Cafe space the club will not need to operate a kiosk in the future.

Additional Solar Panels

Another Matt Osborne initiative and thanks to Madeline King's grant we have been able to install new additional solar panels on the top club roof and they have shown to reduce our power consumption considerably.

The Mezzanine Floor

This has been one of Rohan's projects and with the cafe space now to be leased we will definitely need the additional storage space.

These are only a few of the projects that happen behind the scenes by the Board of Management that are important so that the club can develop and grow whilst providing the members with the facilities they expect.

As Vice President I have been proud to be involved with a club with so many dedicated and hard working volunteers on the Board of Management and sub committees, who without their help none of these projects would be possible.

We have survived our third year operating from the new clubrooms and we are still working through teething problems associated with the establishment of policies, procedures and the general business model of the club and as you can see we are still working with the City of Rockingham to finalise some building issues.

Unfortunately, due to personal issues, I was required to step down from my position of Vice President in March. However, I have continued my work as Building Officer, handling building and maintenance issues. Also, finalising the negotiations with SLSWA and the City of Rockingham to achieve an acceptable outcome in the form of an MOU

(memorandum of understanding). Along with being the coordinator and facilitator for all applicants and interested parties in regard to the Cafe/ Restaurant lease (this has finally come to fruition) and working hard with a fantastic group of members to convert an old wooden surf boat into a bar for the first floor function centre.

I am still very much involved in the club, except for the managing of our office staff which is now sits with the new VP, Brendon Privilege.

Thank you again for your support.

Ron Wade
Vice President

CLUB CAPTAIN'S REPORT

Another summer passes by; Secret Harbour Beach area has seen another busy and exciting season.

Nipper's numbers remain up and the smiles on their faces were still evident on the last day. I was directly involved with the Star Fish program, which was personally rewarding at the same time concerning that these kids and their families do not have the facilities in the community to interact with kids of their own age. Well done to all involved and lets promote this program.

As a club we have been very successful in the competition side of Lifesaving. A large

contingent travelled south to Denmark for the Australia Day long weekend. Surf conditions were testing for all with a 4 meter swell hitting the beaches. Country States and State rounds were held at Sorrento and Scarborough Beach again the club was successful.

The core business of Patrolling our beach was well manned and event free with large preventative stats and below average amount of rescues. Thank you to all that patrolled

during the season and hope we can count on your support for the future season.

I would like to take this opportunity to thank all members that support the club year in year out and encourage others to get on board. Have a safe winter and to those that compete and train during the winter months all the best.

This year has been another successful year on the beach for the lifesaving patrols. This season has seen 62,378 people recorded visiting Secret Harbour beach. We performed 87 rescues and conducted 27 first aids, with 229 preventative actions recorded.

The majority of the rescues were conducted over Christmas and New Year Day. With a large gutter between the beach and the sandbar, a number of people struggled to get across.

Our core patrol remained at Secret Harbour beach, with roving patrols undertaken up to the dog beach, down to Golden Bay and Singleton. This season we saw drones and jet skis being included as a routine part of regular patrols.

Unfortunately our rostered patrols were quite imbalanced in numbers this year with some patrols having only had a handful

while others had hordes. We have also seen the number of un-rostered patrol hours rise for nearly two thirds of the rostered hours conducted. This makes it difficult to provide a consistent level of service on the beach. The rostering of personnel may need to be approached differently next season to address this.

This year the abalone season was held over four hours on Saturday mornings. One of the originally scheduled sessions was cancelled due to the forecast conditions, with an additional day being scheduled in replacement. The club provided water

safety coverage at Penguin Island and Point Peron during the abalone season (with assistance from Mandurah, Port Bouvard, and Fremantle).

The club also provided water safety services to a number of community groups including:

- Rockingham Open Water Swim
- Rockingham Youth Beach Party

Overall hours logged for the year were 5213, with 96 members completing over 24 hours on patrol. This is a great effort by the club and is a significant volunteer contribution to the community.

Thanks to grants and sponsorship, the club was able to replace four rescue boards and a number of rescue tubes this season.

The season would not be successful without the work of the lifesaving committee and the Patrol Captains and Vice Captains. These people have worked hard to make sure that patrols are filled, vehicles are fuelled, IRBs and jet skis are maintained, radios work, and first aid gear is ready.

Thank you to the following people:

Lifesaving Committee

Samantha Lowe (Patrol Officer), Mark Turley (IRB Officer), Stu Reeves (Radio Officer), Jeff Poad (Vehicle Officer), Greg Stroot (Gear Officer), Jo Thodis and Lorry Rule (1st Aid Officers), Joe Ford (Drone Coordinator), and Gary Williams (Jet Ski Officer).

Patrol Captains

Sam Maurice, Stuart Reeves, Mark Turley, Izak

Geddes, Amily Pugh, Daniel de Jong, Iain Lund, and Alannah Wilson.

Vice Captains

ADMINISTRATION REPORT

Club membership for the 2018/2019 season was 943, keeping the Club in the top 10 of WA's largest Surf Clubs.

There was a far bit of change within the administration staff at the Club, with both Sharon Phillips and Anita Sharpe leaving at roughly the same time with Kristie Nicholas remaining to manage functions and Louise Brehaut doing the accounts. Sharon moved interstate with her family and Anita wanted to pursue a career in the public service. Both Sharon and Anita were great for the Club and are missed.

The Club then had Estee Gordon come on board as the full time Club Administrator and Office Coordinator. Estee injected a new vigour to the office team and demonstrated her level of experience and organisational skills. Unfortunately though, due to personal reasons, Estee had to leave and has now relocated to Bunbury.

The Board learned that it really required two people, one as the Office Coordinator and one looking after Membership. The Board has now welcomed Trish Scriven in the role of Office Coordinator and Jacqui Towell as the Member and Administration Service Officer. Both are still getting their feet under the table, they are doing a fantastic job, bringing new ideas, skills and efficiencies to the Club's office and the Board.

Kristie and Louise were working away hard in the office whilst all of this change was going on around them.

The Board, as part of its usual review cycle, made the strategic decision that the Club

no longer required an accountant and that the Club's finances could be managed by a combination of the Office Coordinator, Functions Coordinator and an external bookkeeping firm. As such Louise was advised that her contract of employment with the club would cease. The Board appreciated the work Louise had done. Although not a motivation, it became evident that this new strategy would result in a cost saving to the Club.

There is a significant focus at the moment on updating all of the office policies and processes, getting new technology and improving office ergonomics. This, combined with the winning office team we have, will enable us to continue providing the high level of service we do to the community.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2019

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The Committee have prepared the financial statements on the basis that the Secret Harbour Surf Life Saving Club Inc. is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the financial reporting requirements of the members.

The financial report covers Secret Harbour Surf Life Saving Club Inc. as an individual entity. Secret Harbour Surf Life Saving Club Inc. is an association incorporated in Western Australia under the Associations Incorporation Act 2015. The financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), as appropriate for not-for-profit oriented entities under the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporations Act 2015.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs. The accounting policies set out below have been consistently applied to all years presented unless otherwise stated.

Accounting Policies

(a) **Income Tax**

The Association has obtained tax-exempt status under current Australian Taxation legislation.

(b) **Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost is determined by the purchase price of the inventories.

(c) **Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost less accumulated depreciation and impairment losses (if any).

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

SECRET HARBOUR SURF LIFE SAVING CLUB INC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2019

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (CONT'D)

(c) **Property, Plant and Equipment (CONT'D)**

Depreciation

The depreciable amount of motor vehicles and other assets is depreciated on a reducing balance basis.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
First aid room equipment	10% to 20%
Merchandise and Office equipment	10% to 100%
Rescue, Training and Comp equipment	10% to 100%
Social hall, bar and canteen	10% to 100%
Building	10% to 100%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

(d) **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and cash at banks.

(e) **Revenue**

Revenue from donations and Interest revenue are recognised upon receipt of the funds.

Grants received for recurrent expenditures and member's subscriptions are recorded as income in the year in which they are earned.

Revenue from sale of goods (trading income) is recognised when the control of goods is passed to members/customers.

All revenue is stated net of the amount of goods and services tax (GST).

STATEMENT BY MEMBERS OF THE COMMITTEE

FOR THE YEAR ENDED 30 APRIL 2019

The committee has determined that the association is not a reporting entity and that this special purpose financial report is appropriate to meet the requirements of the Australian Charities and Not-for-Profits Commission Act 2012, Associations Incorporations Act 2015 and is appropriate to meet the needs of the members.

In the opinion of the Committee, the Statement of Profit & Loss and Other Comprehensive Income and the Statement of Financial Position:

- Presents fairly the financial position of the Secret Harbour Surf Life Saving Club Inc as at 30 April 2019 and its performance for the year then ended; and
- At the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the Committee by:

President

Vice President

Dated this 08 day of July 2019

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE SECRET HARBOUR SURF LIFE SAVING CLUB INC

Report on the Audit of the Financial Report

Qualified Opinion

We have audited the financial report of Secret Harbour Surf Life Saving Club (the Club), which comprises the statement of financial position as at 30 April 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by the Members of the Committee.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial report presents fairly, in all material respects, the financial position of the Club as at 30 April 2019, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards, to the extent described in Note 1, the Associations Incorporation Act 2015 and Division 60 of the Australian Charities and Not-for-Profit Commission Act 2012.

Basis for Qualified Opinion

Cash revenue generated from canteen and fundraising is a significant source of fundraising revenue for the Club. The Club has determined that it is impracticable to establish adequate internal controls over the collection of cash revenues prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from these sources was limited, our audit procedures with respect to cash revenue generated from these sources had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenue recorded by the Association from these sources are complete and accurate.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting

Without further modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Club's financial reporting responsibilities under the Associations Incorporation Act 2015 and the Australian Charities and Not-for-Profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose.

Responsibilities of the Committee for the Financial Report

The Committee of the Club are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as the Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained whether a material uncertainty exists related to events and conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause the Club to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicated with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AUDITOR'S INDEPENDENCE DECLARATION

In accordance with the requirements of section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, as lead auditor for the audit of Secret Harbour Surf Life Saving Club Inc. for the year ended 30 April 2019, I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

We to continue to have a great relationship with and value the support of Madeline King, Federal Member for Brand and The City of Rockingham. We are pleased to continue our relationship with the Good Sports program and maintain our partnership with Act, Belong, Commit.

I would like to acknowledge the efforts of Stuart Reeves for his dedication and hard work in applying for numerous grants on behalf of the club and Renee Bennett for her work in fundraising. I'd also like to thank everyone that took part in the Beachsafe appeal, volunteering their time to raise much-needed funds for our club. Thank you to those that signed up to the Message in Motion campaign, raising funds for our club whilst promoting safe driving.

We have continued to strengthen our relationship with Alcoa. Developing another three-year partnership in which Alcoa will fund Nippers, Crusaders and Starfish Nippers. We are very appreciative of their support and are pleased they can see the value in the programs we offer to our local community.

A special thanks to Amanda Seale Turner and Tex Reeks for their efforts hosting Channel 9 for the Nipper BBQ. A sincere thank you once again to Tex Reeks and also Del Rule for their help in co-ordinating the Channel 9 Live Cross at Secret Harbour. I was proud that for Secret Harbour SLSC the focus was on lifesaving and the achievements of some of our incredible youth members.

Thank you once more to our generous sponsors. Your support is not something we take lightly and is very much appreciated by our club.

Laura Adolphus,
Director of Sponsorship & Marketing.

TRAINING & EDUCATION REPORT

This year I start my report with the phrase “Yet another busy year for the training team”, but it really does need to be said. We have such a dedicated group of trainers/ assessors who are always at the club running a course, working on proficiencies and, yes, occasionally helping that last member get his or her late proficiency. It also shows we have a club full of members, both old and new, who are willing and devoted to upskilling themselves to help make our beach a safer and better place to be.

The numbers speak for themselves – this year across the club we attained a number of new awards and participated in completing some 821 proficiencies for existing awards shared amongst 212 Members.

A summary of the awards achieved this year includes:

- 7 x WA Silver Medallion Beach Management
- 13 x Bronze Medallions
- 27 x Surf Rescue Certificate (SRC)
- 10x Spinal Management Awards
- 66 x First Aid Awards
- 6 x IRB Crew
- 4 x Gold Medallion
- 18 x Pain Management Certificate
- 5 x Probationary Trainers
- 2 x Rescue Water Craft Operator Certificate
- 1 x Training Officer Bronze Medallion
- 2 x 10 Year Assessing Service Certificate
- 4 x 5 Year Assessing Service Certificate
- 2 x 10 Year Training Service Certificate
- 6 x 5 Year Training Service Certificate
- 29 x Advanced Resuscitation Techniques [AID]

With great help from all our members and trainers we managed to achieve most of the proficiencies done before the end of December, including one cold Sunday when 53 members turned up. I believe this was the earliest we have completed the proficiencies in years. There

were of course a few stragglers but everyone was completed on time and all set for the year.

Certificate IV in Training and assessing.

This level of qualification requires a high level of effort and dedication. We have 1 member of the training team who is undertaking their Cert IV qualification, our very own Jodie Barker, who has also completed all the requirements of the training program this season and is now an endorsed training officer for Bronze.

We also welcome our new probationary trainers – Rhanja Gorman, Izak Geddes, Lewis Taylor, Ben Barker

Bronze Medallions

I was very pleased to see some of our Nipper parents who completed their Nipper Rescue

Certificate, progressing through to Bronzies this year. I know you will have a great time on patrol as well as being fully qualified for water safety. I congratulate all our new Bronze members and welcome them to the beach as full patrol members.

27 Surf Rescue Certificate (SRC)

This season's SRC course consisted of a very large group of enthusiastic kids. The boys seemed to be a tight knit group and excelled in all physical water activities whilst the girls banded together and really grasped the finer details of resuscitation and first aid. This was the second group of SRC candidates who covered radio in their course and they all did very well. I have a few of the new SRC's on my patrol and I am very confident sending them off to do a roving patrol with a radio.

All candidates received their SRC award and are now eager patrolling members of Secret Harbour SLSC.

A huge part of their training is a camp held at the SHSLSC, where the new SRC trainees spend a weekend with trainers. This is an integral part of their training. Thank you to all of those who supported this camp and a special mention to Garry Williams for organising this wonderful opportunity for training.

A huge thank you to all trainers who contributed to this group being Garry Williams

(SRC coordinator), Jo Theodis, Matthew Tonkin, Jodie Barker and all the wonderful parents, and mentors.

IRB Driver / Crew Award

As always, it is important that we continue to have new IRB trained members. This year under the guidance of Garry Williams / Megan Williams / Jessica Williams / Craig Graydon and Rohan Pugh, we were able to train new crew members. Some of these will go on to their driver's certificate and provide relief for our dedicated group of drivers. Well done everyone on taking the first step.

Thanks you to the wonderful trainers\assessors that assisted in these fun courses:

IRB Drivers

- Izak Geddes
- Rhanja Gorman
- Matthew Tonkin
- Derry Smith

IRB Crew Certificate

- Dean Williams
- Chloe Thomas
- Mitchell Shackles
- Jonathan Chick
- Ella Arscott
- Michael Hall

Rescue Water Craft Operator Certificate

This is the highest water craft certificate available, allowing our members to operate the Jet Ski. This course takes many weeks during the off-season to complete this award:

- Izak Geddes
- Christopher Howarth

There were also six participants from our neighbouring clubs.

Huge thank you to Garry Williams for training these members. It is a very time consuming course but very rewarding. Thank you to the other operators who assisted in making this course possible and sharing their knowledge.

First Aid Awards

Once again we were able to use the skills of Carolyn Wilson / Jo Theodis / Digby Wilson and Jodie Barker for our First Aid Awards / Requals. We will also be planning a winter session this year to catch all those who want to get a new award or renew their existing expiring award. (free as fees were covered by a grant SLSWA/SLSA).

Spinal Management Awards

10 new gained this award during the season.

AUSPICE Training 2018-19

77 community members were trained. A big thank you to Carolyn Wilson / Jo Thodis and Sara Hull for taking our club AUSPICE to the community. A profit to the club of approximately \$7471.75

Gold Medallion

This award is the pinnacle of the surf rescue awards. Typically we get very few members achieve this award. In the last few years we have only ever had one or two, if any. This year 6 members participated through some very tough conditions and requirements. It is great to see so many members who are so dedicated to their surf rescue qualifications.

- Jessica Williams
- Peter Traeger
- Samuel Maurice
- Alannah Wilson

Probationary Trainers

Probationary trainers are the lifeblood of the Education Team. Last year we tasked ourselves to get 8 new training officers each year. Well- this year we have 5 new training officers. What I love about this is that we have a combination

of younger trainers with Rhanja Gorman, Izak Geddes, Louis Taylor, plus experience with Jodie Barker. Add to that mix to the club knowledge and involvement and I couldn't be happier about our new probationary trainers. We already have some members who are indicating that they would also like to become training officers next year.

Training Officer Bronze Medallion

Renewal is the key to success and that is no different for the Education Team. The Bronze and SRC awards are the starting point for every new senior member of the club. With some of our long term trainers taking a step back from training after many long and successful years to focus on assessing, mentoring and competition officiating, we needed new Bronze trainers

coming through. Jodie Dantith completed her full requirements this year and is now a member of the Education team. Welcome aboard. And a huge thank you to all the trainers that have been with me for this wild ride- it's been a pleasure to work with you and I look forward to the future of our surf club.

Assessing/ Training Service Certificates

We should all have a great appreciation for our members who dedicate their time over a long period of time to the success of our club and the SLS movement. Years of participation is a very significant period of time to spend on a very important function within the organisation.

Showing dedication to providing a key service across the branch:

10 Year Assessing Service Certificate

- Garry Williams
- Digby Wilson

5 Year Assessing Service Certificate

- Carolyn Wilson
- Megan Williams
- Richard Lowe

10 Year Training Service Certificate

- Garry Williams
- Digby Wilson

EDUCATION AWARDS 2018/19

5 Year Training Service Certificate

- Mark Dove
- Sarah Hull
- Richard Lowe
- Megan Williams
- Carolyn Wilson

There is a hole in the training team now- we said a fond farewell to one of our favourite trainers Matthew Tonkin who has left SHSLSC and has been posted to Canberra, and then Townsville with the Army. Matt was and always will be a huge part of training our Bronze \ SRC Members. Thank you Matt for everything

Rock Rescue Training

As a part of the continued development of Rescue Skills within the Peel Region, Surf Life Saving Clubs and Volunteer Marine Rescue conducts regular training within the area. This includes the honing of existing skills and the introduction of new skills and resources.

This provides our members with the following training for SRCs \ Bronze\ IRB Driver and Crew, and RWC Operators:

Conduct a Search; Conduct rock entry to retrieve a patient; Conduct patient pick ups and retrieve a patient to the VMR Vessel using spinal boards.

Thanks to Garry Williams for keeping our members skills at a very high level.

National Leadership College

A member of our training team Jessica Williams was chosen to represent Western Australia at the National Leadership College.

This is a week long SLSA training course focused on the guiding of participants to find there own leadership style. The focus of the college is for participants to develop skills and opportunities that will enable them to play a key role in the future of the SLS Movement.

It is an exceptional opportunity for our young future trainers and leaders to strive towards.

There are always changes being introduced each year in training and education, and I would like to thank the trainers for their support in bringing this to the members and the members for being very supportive.

Our ability to achieve these great results is only possible because we have such a great team of trainers and assessors who dedicate their time to the club, and spend huge amounts of time on the beach and in the club working with new and existing members.

Congratulations to all members, both new and old, who obtained a new award this year .Your dedication makes this club a great place to be.

I would like to say thank you to all those members from Secret Harbour SLSC and our sister clubs Port Bouvard, Coogee and Mandurah for always being a huge part of our club.

And thank you to my wonderful family Garry, Jess and Andrew for standing by my side when I was never home. I have enjoyed every minute and now I stand aside as the Director of Education at Secret Harbour SLSC. Thank you.

NIPPERS REPORT

Nippers always bring such great energy to the beach and a splash of colour! It creates an opportunity to bond club members together, whether we are volunteering with the kids, undertaking water safety, beach set up/pack down, BBQ, party planning or special events. All of these support roles ensure a great Sunday morning on the beach for all of us.

Estee and now Jacqui our admin/membership ladies keep all the cogs turning and support me, and the membership generally, behind the scenes in so many ways – THANK YOU.

Nippers is nothing without our fantastic volunteer age managers. Every year we have some regulars, returning leaders and new faces (soon to be regulars, I hope!!), who bring so much energy to the nipper experiences of safety and surf life-saving skills. Thank you so much.

We all count on our kids being kept safe and this relies on our water safety people, who again are all volunteers. Coordinating Water Safety is a big responsibility so a huge thank you to; Julie Butler, Mark Glover and Mark Ashurst, who were wonderful! The water safety team always included cadets, who have often been nippers themselves, this sees them giving back to the Club in an invaluable way, which is awesome! In addition, it was great to see so much interest in the Nipper Rescue Certificate

that Megan Williams and Jody Daintith ran in December. This resulted in many more parents on the beach being able to assist with the nippers. Thanks Megan and Jody!

As we watch our kids progress through the years of Nippers culminating in the under 14's achieving their Surf Rescue Certificate, there are many options available to these young people and how they will become the future of our club. Some of our youth

return to age manage, others to assist with water safety, many patrol or are active in the cadets program 'The Crusaders'. Some put themselves out to stand for Junior Club Captain and we had 3 wonderful nominations this year in Jasmine Noorman, Caitlin Hide and Lewis Harrison. The nippers voted and Jasmin and Lewis have been elected our Junior Club Captains, so congratulations to you both.

SLSWA call for nominations each year for junior and youth club achievers in the under 13 and under 15 age groups. Our candidates who received these awards this year were Rubie Turner and Jasmine Noorman. Well done -it was very well deserved.

Thanks to the Board members who help at every Nipper event during the season, often humbly helping on the BBQ, even though their kids have well and truly graduated from Nippers!!

Thanks to all those people who step up on Sundays and just muck in, always great to have extra hands, putting the trailer away, lugging boards up the beach, folding those awesome tables etc I cannot name you all but hopefully you feel appreciated as you truly are!!!

I cannot continue to do the whole nipper role alone- I will be putting a call out at the AGM for people to help run small parts of

different components of Nippers such as the pool proficiencies, attendance points records, ordering trophies, running the events like Christmas, the carnival and the wind up. I hope you feel welcome enough to volunteer as many hands make light work and much more fun than doing it alone!

We are so lucky to have a strong and vibrant club which nurtures our kids and is focussed on a strong community for all to enjoy. I would also like to thank Rick Lowe for simply being an awesome President and constant support to me in this role, cheers Rick and Sarah.

CRUSADER'S CORNER

Well what a year! After the birth of the Crusaders 7 years ago, our numbers involved in the YEP program have increased by 400%, with us now consistently having around 100 engaged in the program. Infact, we had 60 attend this year's camp! I could have taken 80!

We had 96 Crusaders patrol (out of 133), providing some 2155hrs in support of patrols, Abalone patrols, Watersafety, community fairs, safety expos and other community events. This is an outstanding effort by our youth.

In particular, both Patrick and Riley patrolled over 58hrs each. These guys persisted through their SRC last season and now have developed into outstanding Crusaders and Club members. Well done guys!

A number of these guys are assistant managers, others are officer bearers of the club, some are our new trainers, many are mentors to the

younger Nippers and to their peers, somehave competed at the highest level competition and some have been acknowledge for acts of bravery.

A couple have taken up the opportunity to participate in the new SLSWA Youth leaders Program:

- Youth Leaders**
Michael Hall
Rowan McDonagh
Liam Privilege
- Oliver Twiggs
Jasmine Noorman
Megan Tong

- Youth Officials**
Michael Hall
- Oliver Twiggs

We have had a huge amount of fun over the years with this year being no different with conducting IRB/RWC famils, Rock Rescue Training for those that gained their BNZ or IRB Awards, visits to VMR, Wake Boarding, Jet boating, SRC Sleepover, theme-Guardians of the Galaxy and of course our Feb Crusaders Camp– Jimanji – Welcome to the Jungle.

We are also in our second year of IRB competition which is proving to be awesome fun! Go the IRBIVORES!

Our Cadet Camp at Busso has continued to grow with a slightly different format and new batch of helpers.

We had 60 Campers this year with us making the trip to Busselton. The theme as always is to have a go, with us taking on the characters of Jumanji 2.

We had quite an adventure – with a visit to HamelinBay, a frolic with the stingrays, an island adventure, Kayaking, IRBing along with a host of other activities including maybe scurfing, and demonstrating how to sink an IRB. Our hosts Steve and Angie at the Legacy on Geographe provided a great insight in the history of legacy and about the camp school which was established in 1936.

Over the course of the season these guys have been working towards their BNZ and Silver YEPs Awards by engaging in patrols, development activities and in Surf Sports.

This year we have 27 Silver Recipients who have achieved over 250 points and patrolled over 800hrs:

I'd like to thanks the following people that make the YEPs program work, firstly our Crusaders.

To the mentors that assisted with the camp and our monthly outings and Sunday Morning Activities – Ian Noorman, Lisa, Craig Graydon,

Matt Tonkin, Jessica Williams, Izak Geddes, Mark Thomas, Chris Ager, Neil Belton, Jodie Barker, Mitchell Shackles, Rob Williams, Brendon Privilege, Louis Taylor, Steve Butler, Graham Shackles, Jeff Poad, Julie Butler, Jamie Thomas and Megs. You guys Rock!

There are many more assisting with the development of these fine examples of our Western Australian youth and our leaders of the future.

Our Sponsors in Megan for her in-kind sponsorship for the monthly activities, Paul Papalia, Channel 9, Team Anzac, Ocean and Earth and also Affitto that have assisted us in

financing our annual camp and BNZ, and Silver Awards and some of our new initiative's such as IRB Competition and standup paddle boards – thanks Ocean and Earth.

And who can forget the Mandurah SES for loan of their Bus.

Lastly I'd like to acknowledge the BoMs support of the program, it's a substantial investment into our future.

We have big plans for the winter and next season, and I hope to see you all next month for our next adventure.

SURF SPORTS REPORT

It's been another big year for Secret Harbour in the surf sport arenas. Over the past few seasons we have been really working towards having a bigger youth presence, not only on the beach, but also at carnivals up and down the state. Its been great to see our numbers growing at all the carnivals especially having a good traveling team down to Denmark for the country carnival and a good showing at the Country Championships up at Sorrento Surf Club.

The first event of the season kicked off with Secret Harbour having a first ever Surf League team involved in the new format of racing in WA. The club showed force at all three rounds of the event which enabled us to finish strongly inside the top 10 and not too far off the clubs above. This new format is great and really shows the depth in our club with having everyone involved right from our under 14's up to our boatie crews, involving male and female of each category in between.

Country Championships held at Sorrento beach saw us come the closest ever (94 points) we have come to Bunbury in a very long time. We did however take home our first flag in a few years with dominating the Handicap flag and bringing it home.

Once again, our boaties flew the flag high for Secret Harbour with some great results

through out the season. Our pool rescue team represented us well with some great results at the state titles resulting in 23 individual medals and 13 team event medals. Once again this shows the depth in the club with having competitors right from under 10's through to Masters.

This season saw Secret Harbour getting back on the IRB racing scene with them making their mark and letting the other clubs know we are there to race hard.

The club held a number of carnivals at our beach this season which included some surf boat short course racing, a full senior carnival

including surf boats, short board surfing state titles and just recently an IRB carnival. The feedback we received after all these carnivals was great from all fronts and everyone can't wait to get back down our way next season for some more action packed racing.

Congratulations to Mark Muir, Ollie Brehaut and Ashlin Traeger who were selected once again for the Western Suns state team that travelled over to Sydney to compete and represent not only our club but also WA on the beach and in the pool.

We would not be able to achieve any of these amazing results without our great

support crew of coaches, officials, sports committee, our amazing office staff and most of all our team of water safety personnel which enable us to compete week in week out.

Even though it is the off season our competitors and coaches are hard back at it getting ready for another big season with the aim of sending a traveling team over to Broadbeach for the Australian titles.

Look forward to seeing you all on the beach.

BOATIES REPORT

Wow! What a massive season our surfboat section has had this season with so many highs and lows to share.

New Surfboat

The season started with the excitement of getting our first brand new boat since 1999. Sporting our clubs iconic red, white and blue

colours, our first new boat in almost 20 years. Not only does it look fantastic it has already proven to be significantly faster through the water than our other tired old second hand heavy boats. A huge thank you must go out

to our major sponsors, Charter Hall and Allied Pickford for helping make this new boat possible. It is also important to acknowledge and thank the long term support of our Board and our fellow club members who have helped

fundraise over many years to make this new boat possible.

Peter (Walesy) Wales

Sadly the arrival of our new boat coincided with the loss of one of the clubs most respected and much loved boaties in "Peter (Walesy) Wales". Walesy was a larger than life character that had a huge influence in the surfboat movement in our club for many years. So it was only fitting that his name was proudly placed on the bow of our new boat as a mark of respect and admiration for his contribution and lasting

memories. A very touching ceremony was arranged in conjunction with Walesy's family and our clubs senior boaties to use the newly named "Peter (Walesy) Wales" surfboat in an ashes spreading farewell ceremony down on the Secret Harbour beach to farewell a great character.

Ross Onions

As one of our club's Life Members, Ross has been a huge contributor to the surfboat section and the wider club for many years. This season

we took the opportunity to also acknowledge Ross for his years of service by naming our 2nd surfboat the "Ross Onions" this naming ceremony was conducted in front of Ross's friends and family on his 60th birthday party.

— Surf League

Another major milestone for the club this season was fielding our first ever Surf League Team. Our male and female boat crews where both significant contributors to the overall success of Secret Harbour's first year in Surf League. The Surf League format provided a unique opportunity for the boaties to really feel part of the broader surf sport team as we were all racing in the same arena. The racing was also in a short course format making it a fast and furious pace.

— Surf League Round 1– North Cottesloe

Open Men's Crew – 3rd

Rohan Pugh (Sweep), John Turner, Ethan Pugh, Iain Lund & Matt Osborne

— Surf League Round 2 – Scarborough

Open Women's Crew – 4th

Ross Onions (Sweep) Kellie Turner, Ingrid Ostle, Anne Marie Dullaghan & Amanda Turner

— Surf League Round 2 – Sorrento

Open Men's Crew – 3rd

Beno (Sweep), Chad Ridley, Bruce Ridley, Liam Van Der Heyden & Izak Geddes

— Denmark Country Carnival

A huge contingency of Secret Harbour competitors, officials and supporters all congregated on the beautiful South West town of Denmark for the annual country carnival. True to form, Denmark whipped up some seriously big swell, which, not only provided very challenging conditions for all competitors but, also provided action packed viewing for the spectators at the country carnival.

We had two open men crews in action on the day with both crews performing extremely well. Special mention must go out to our two sweeps that day Rohan Pugh and Beno, they both displayed exceptional skills and decision making in what was some fairly serious conditions.

— Denmark Country Carnival Results

Open Men – 2nd place A Final

Rohan Pugh (Sweep), John Turner, Ethan Pugh, Iain Lund & Matt Osborne

Open Men– 2nd place B Final

Beno (Sweep), Chad Ridley, Bruce Ridley, Liam Van Der Heyden & Izak Geddes

— Secret Harbour Carnivals

We also successfully hosted two boat carnivals at our home beach on the 9th and 17th of February. Both events were well supported and received extremely positive feedback from other clubs and officials etc. All of our crews again performed extremely well on their home beach.

— State Masters – Scarborough

Men – 160's = 4th place

Rohan Pugh (Sweep) John Turner, Russell Tierney, Iain Lund & Matt Osborne

Women – 180's = Silver Medal

Ross Onions (Sweep) Kellie Turner, Ingrid Ostle, Anne Marie Dullaghan & Amanda Turner

Men – 200's = Bronze Medal

Rohan Pugh (Sweep) Chris Ager, Beno, Rick Lowe & Ross Onions

— State Country Championships – Scarborough

Open Men = Gold Medal

Beno (Sweep) Chad Ridley, Bruce Ridley, Justin Denning & Izak Geddes

Open Men = Silver Medal

Rohan Pugh (Sweep) John Turner, Russell Tierney, Iain Lund & Matt Osborne

Open Women = Bronze Medal

Ross Onions (Sweep) Kellie Turner, Ingrid Ostle, Anne Marie Dullaghan & Amanda Turner

— State Championships - Scarborough

Under 23 Men = 4th place

Beno (Sweep) Chad Ridley, Toby Carus, Izak Geddes & Abbey Hull

Open Mixed Lifesaver Relay = 6th place

This event was one of highlights of the season: it was the first time, we had entered a team in this prestigious event, we performed extremely well. Our young male boat crew getting the team off to the best possible start by crossing the finish line first in both the heat and the final. Beno (Sweep) Chad Ridley, Bruce Ridley, Izak Geddes & Justin Denning

As you can see it was another huge season! A big thank you to all of our wonderful sweeps. Ross Onions, Beno and Rohan Pugh who have all put in a huge amount of time and effort again this season to keep our great sport alive. Without the dedication these three have showed, Surfboat Rowing in our club would not exist. We are truly thankful for your support.

Thank you again to our fellow boaties for all of the hard work behind the scenes; fundraising and boat maintenance etc. Also the ongoing support we have received from our BoM and of course our fellow clubbies!

In conclusion, we've had another great season, it's very pleasing to see Surfboat Racing alive and well in our club. The most pleasing aspect to come out of this season was to see the continued growth of some really talented young rowers. I look forward to seeing even more of our youth join the surfboat ranks next season. This great sport offers physical strength, fitness, surf skills, excitement and exhilaration. But, most importantly teamwork and comradery! If you have ever wondered what it would be like to row surfboats then please make contact with myself or any other boatie from the club you know and we will happily organise an opportunity for you to have a go.

Here's to a bigger and better 2019/20 season!

Thank you to all members for
your continued support and
help over the past year.

Huge thanks to all clubbies who have contributed their fantastic photographs for this report. With a special mention to Tony Maurice.
